IMPORTANT NOTICES — PLEASE READ CAREFULLY

Shipments made Spring or Fall, to arrive at proper planting time for your locality, unless otherwise requested. Fall shipping starts approximately Nov. 1st. Spring shipping ends approximately May 20th.

Shipments are prepaid. There is a .75 packing and shipping charge for all orders under \$5.00.

15 % discount on 12 or more plants.

Ohio customers add 3 % sales tax.

All Roses Guaranteed to Live and Bloom and to be True to Name

We reserve the right to substitute a variety as near as possible to the variety you ordered if out of variety you ordered, unless otherwise advised. We urge you to list some alternates of your choice.

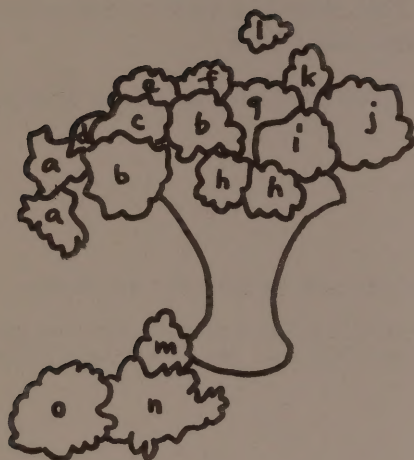

All roses are two year field grown on the shores of Lake Erie,
budded on Multiflora understock.

They are pruned, ready to plant when you get them.

We Ship Only Top Quality Plants.

Many old roses do not bloom first year, because blossoms come only on wood
at least a year old. Prune as little as possible first year.

We do custom budding. — Send for details if interested.
